

Housing loan is now easier with Bank Med

In an event attended by key executives from BankMed and Plus Properties on Monday, the 5th of May, 2014 at BankMed's headquarters in Clemenceau, BankMed announced the launching of its new housing loan program specifically tailored for Tilal Bhersaf, a Plus Properties project.

Ideally located in Bhersaf, a region characterized by its healthy climate and mesmerizing nature, the complex units constitute the perfect summer house where residents can enjoy the pool, the garden, and the playgrounds, as well as around-the-clock security and maintenance services.

With 20% down payment, a preliminary approval received in only 2 business days, a competitive interest rate, a 6-month grace period, and many other advantages, clients interested in becoming residents of the luxurious complex can now benefit from the new program that came as the result of the cooperation between BankMed and Plus Properties.

The two leading institutions continue to join efforts to encourage Lebanese residents and expatriates to own property in Lebanon.
